

# Penticton & District Community Arts Council

Since 1960 the Penticton & District Community Arts Council has brought locals, and visitors to our area, together through arts and cultural events that appeal to folks of all ages and interests. Since 1980 we have managed the Leir House Cultural Centre – the HEART of our community. It is the home of the Arts Council and our Artists in Residence, Penticton Potters' Guild (visits by appointment), and the Penticton Academy of Music and Dramatic Arts. Check out our booth at many local festivals and events.

## What We Do

### Exhibitions

We host 6-8 exhibitions each year showcasing emerging and professional artists, community groups, and open group exhibitions.

### #LoveLocalArt & Art Walks

The #LoveLocalArt online directory and Art Walk maps showcase our arts scene for locals and visitors to our area. Find a gallery, art class, and so much more!

### Seniors Drop-ins

Reducing social isolation through creative meet-ups – art is always better together. From painting to knitting, at these weekly and monthly creative social groups, everyone has a great time!

### Art Classes

Try something new! We offer creative workshops 4-6 times per year with a variety of creative mediums including drawing and painting.
