

Kettle Valley Steam Railway

The Okanagan's Heritage Railway

locomotive #3716 was built in 1912 and will welcome you with the whistle as we make our way on the gorgeous trip. Our goal and passion for each of our guests is to transport them through time and experience the marvel of a bygone era. Rail travel is an incredible adventure that we are honoured to share for all generations. We provide a one-of-a-kind trip that will be sure to impress you with our love for heritage and experiencing the beauty of the Okanagan Valley and Summerland.

Riders enjoy a 90-minute round trip journey along 16 kilometers of track along the scenic Prairie Valley, through West Summerland, and onto the Trout Creek Trestle Bridge -- offering breathtaking views of the Canyon below and Okanagan Lake in the distance. Onboard entertainment includes historical commentary and ensures a memorable experience for all ages. We offer a wide range of Special Event Trains such as our Great

The Kettle Valley Steam Railway is the premium destination in the Okanagan Valley to experience history come alive. We host visitors from all over the world. We welcome all those who have a passion and love for rail travel and the Kettle Valley Railway.

We opened our doors to welcome guests abroad in 1995, since then we have hosted over 500,000 visitors. Our historic 2-8-0 steam

Train Robbery and BBQ, Christmas, Easter, and Mother's Day offer great variety in your riding experience. We recommend booking well in advance to avoid disappointment. For information on our schedule and rates go to kettlevalleyrail.org or call toll-free 1-877-494-8424.
