Deji Disu, 5, was born a left arm amputee and, as a member of The War Amps Child Amputee (CHAMP) Program, is eligible for financial assistance for the cost of artificial limbs and adaptive devices, regional seminars and peer support.

Deji was recently fitted with a myoelectric arm which can sense muscle impulses, allowing him to open and close the hand by simply flexing his muscles. "This artificial arm allows Deji to be independent and do whatever he sets his mind to," says mom, Sara.
