

# The Penticton Art Gallery

Located on the shores of Okanagan Lake, the Penticton Art Gallery is a not-for-profit arts organization whose primary role is to ensure the citizens of Penticton and the South Okanagan have universal access to the visual arts. We envision a gallery accessible to everyone as a vibrant public space in service of our community, to foster greater social engagement, critical thinking, and creativity. Annually, the Penticton Art Gallery attracts over 17,000 visitors through our extensive community outreach programs, touring exhibitions, and educational resources.

In our role as a public art gallery, we offer a balanced program of 18 exhibitions each year, featuring a dynamic mix of contemporary and historical artworks from across Canada and internationally. Our exhibitions are further supported through an accompanying program of artists' presentations, lectures, panel discussions, a lending library, educational programs, an annual film series, and a host of other special events.

Our immediate audience is the citizens of Penticton and the South Okanagan, but it extends well beyond our city, attracting thousands of

tourists visiting the province, and through our active traveling exhibition program which sees several of our exhibitions touring across British Columbia and Canada each year.

We are the custodians of a rich and varied Permanent Collection which we hold in trust for the enjoyment and education of the whole community, actively documenting, preserving, presenting, interpreting, and adding to this Collection annually. Our Collection features over 2,500 works of art pertaining to our region and its history. We hope to have the entire Collection digitally documented and featured on our website for everyone to enjoy.
