

Legion Branch 40

“Branch 40, Where Everyone is Welcome”

Join us Wednesday through Friday for lunch from 11:30 – 1:30. Saturdays we offer munchies from 3:30 with dinner specials, entertainment and more! The food is great, beverages cold and our prices can't be beaten.

On behalf of Branch 40, on behalf of our members, executives and great volunteers, I would like to invite you to visit our branch and enjoy the warm hospitality, great food and beverages at great prices and if you want, enjoy watching your favourite team on our TV's.

Children with a parent or guardian are also welcomed when the kitchen is open. Please contact our Lounge, phone number below, if you want to make sure food is being served.

Branch 40, Royal Canadian Legion, Penticton has been serving the community of Penticton for over 90 years. Our yearly November Poppy Campaign continues to assist veterans, supply bursaries to students going on to post secondary education, donates regularly to Penticton Regional Hospital, and supports Penticton's Army and Air Cadets. Through our Gaming Account we donate funds to local charities to help them in their work.

We remind all members to check to see if their membership is up to date and ask our visitors to check out the benefits of a membership and to join this great organization.

So again, we invite all members past and present as well as non-members to come down to the Legion and visit the modern Legion and introduce your self. Meet new friends visit old friends, everyone is welcome to join!

We are located at 257 Brunswick Street, just off of Westminster behind the "Bike Barn".
