WELCOME TO THE KAMLOOPS MUSEUM & ARCHIVES

The Kamloops Museum & Archives' permanent display continually evolves to more inclusively showcase Kamloops' culture through the voices of its many communities. Current issues, events, and ideas are explored in our temporary display gallery, bringing rigorous and relevant exhibitions to Kamloopsians.

The KMA's Archives preserves and provides access to the records of the activities of Kamloopsians from 1863 to the recent past. It includes a substantial collection of photographs, books, papers, maps and

architectural drawings contributed by our community.

Presenting vibrant and engaging school programs linked to the British Columbia Curriculum is a priority, while also reflecting our mandate, mission, and vision and utilizing our collection. Our community programs engage with today's social and political landscape while focusing on local Kamloops and BC histories and cultures.

We thank you for sharing in our vision and are proud to serve the Kamloops community.
