

Ordinary People Making Extraordinary Differences

In 1981 Kamloops Hospice Association was established from a sincere desire to support those with a life-limiting illness. Today, 39 years later, our programs continue to expand to encourage early access to services upon a life-limiting diagnosis. We are here to support individuals and their families maximize their quality of life through our **Cooper Community Resource Centre** and 12 bed **Marjorie Willoughby Snowden Hospice Home**.

JOIN OUR TEAM OF VOLUNTEERS
