Kitchen Salvage

So, you're putting a new kitchen into your home, congratulations! Now is the time to think about what you are going to do with your old kitchen. Consider donating it to the Habitat for Humanity **Penticton** ReStore and in return, you will receive a taxable receipt for our **resale** value; plus you are keeping good usable items out of the local landfill. Money raised through the ReStore supports Habitat for Humanity Okanagan's homebuilding initiatives locally.

What do you have to do? Easy. Contact us **BEFORE** taking out your existing kitchen to allow us to evaluate it. We will schedule a date and

carefully remove your old kitchen cabinets and take them away. It's really that easy! Call 778-755-4346 extension 213.

Habitat for Humanity ReStores

Habitat for Humanity Okanagan operates four décor and building supply ReStores with locations in Penticton, Kelowna, West Kelowna, and Vernon. The stores sell new and gently

used items for your home and garden. From lighting to flooring, furniture to major appliances, one of a kinds and antiques. If you need it or want it, you can likely find it at a ReStore at a great price. ReStores help keep materials out of the landfill and proceeds from sales help support Habitat's building program here in the Okanagan. Our inventory is 100% donated by the local and corporate businesses and by individuals like you. Donations are greatly appreciated. Thank you! If you are interested in volunteering contact comms@fhokanagan.ca

The Penticton ReStore is located at 2498 Skaha Lake Rd, Penticton.
