S.S. Sicamous Heritage Park
1099 Lakeshore Drive, Penticton • 250-492-0403 • www.sssicamous.ca

The S.S. Sicamous first launched in 1914 and retired in 1936. It was paramount in connecting many of the communities along the shores of Okanagan lake. With dedication and hard work by volunteers, the story and history of the SS Sicamous can now stay afloat. Many volunteer and staff hours are put in to keep the SS Sicamous in historic condition. This summer be sure to come and visit our amazing Museum and Heritage Site!
