### BC Interior Community Foundation **HERE FOR GOOD**

*A donation to BC Interior Community Foundation will provide sustainable funding for the community and causes you love – forever.*

Lately it seems like no aspect of our lives can be taken for certain – but the one thing that holds steadfast and true is the growth of the endowed funds held by BC Interior Community Foundation (BCICF).

The extreme weather and health events have left no community untouched and that is why we are proud to report this year the foundation will be able to give more than ever before back to their communities.

**“This year we will be returning \$600,000 of annual interest income into the Thompson, Nicola and South Cariboo regions.**

The money will be disbursed among various grants, scholarships and bursaries. This is a significant increase over last year, when we gave back just shy of \$490,000!”

For almost 40 years BCICF has helped thousands of donors make a positive difference in their communities, and in the lives of the people who live there. It’s because of you they are able to provide

support to the communities in our region.

From health and the environment, to youth and education, seniors, families, arts and culture - your donation champions community vitality!

One of the ways BCICF remains future focused is by creating and growing endowment (permanent) funds. Although the needs of our communities will change, the importance of addressing those needs will remain constant. An endowed fund is a permanent resource that can adapt to changing circumstances. The capital of the endowment remains untouched and the income is used for ongoing community programs and services.

One of the key features of the continued success of BCICF is our competitive value for service. Each endowed fund is assessed a very modest administration fee of just 1%.

For more information, visit our website at [www.bcicf.ca](http://www.bcicf.ca). Let’s work together to create your lasting legacy.

### THE POWER OF MANY

When you establish a fund, or donate to the BC Interior Community Foundation, your money is pooled with their \$10-million endowment fund.

You become a part of a circle of giving, where every dollar granted back to the community is because many people just like you, cared.

## Your legacy. Their future.

Every single person can make a lasting impact in their community.

If you stop for a minute and think about the future—what will outlast your life?

Every single person, regardless of how much money or property they have, can leave a meaningful legacy and be remembered for the good they have done, long after they are gone.

In 1984, caring members of our communities had a vision - to create a organization to support hard-working charities, community projects and volunteer programs. They created an endowment-based public foundation,

where gifts are pooled and invested forever and the annual earnings are given back to the community yearly.

Now, nearly 40 years later, that “Here for Good” vision still holds true.

Regardless of your age, or the size of your gift, we are here to make your giving experience simple and rewarding. Donate to one of our existing funds, create your own legacy fund, make a charitable bequest through your Will or you can name BCICF as a beneficiary on a life insurance policy, RRSP or RRIF.

Contact us today to see how you can make a difference.
