

The mission of the Royal Canadian Legion

is to serve Veterans, including serving military and RCMP members and their families, to promote Remembrance, and to serve our communities and our country. Legion members care deeply about supporting the men and women who serve this country and want to make a difference in the lives of Veterans, contribute to our communities, and Remember those who made the ultimate sacrifice for our Country.

When you join the Legion, you support the many services we offer to Veterans, serving military, RCMP, and their families. Veterans put their lives on the line for their country; becoming a member of the Legion is the ultimate way to show your appreciation for that service.

Legion membership also helps provide essential services within our communities, including seniors support services, housing and care for the elderly, drop-in centres, Cadets, youth and support programs, and much more. If you're

currently serving, or retired, as an RCMP or in the Canadian Armed Forces, you're eligible for a one-year free membership in the Legion, a one-year subscription to Legion Magazine and access to member benefits.

Donations to the annual Poppy Campaign assist in many ways, perhaps to supply a scooter, or a bus ticket and meal, or equipment for Veteran's Care homes, the training of a companion dog, or support for Veterans Transition Fund which helps veterans adjust to civilian life.

Although the primary mandate of the Legion is the programs and services in support of veterans and their families, many other groups benefit from Legion donations to programs for youth sports, disabled adults, and organizations that focus on the wellbeing of seniors.

Like other Branches, Penticton Legion supports students with their tuition for post secondary education. Branch 40 is fortunate to provide bursaries to the children, grandchildren or great-grandchildren of veterans who have served their country.

The Legion Lounge in Penticton is available for private functions, such as anniversaries, funerals and end of live celebrations. Recent changes to the BC Liquor Laws and amendment to our license allows underage people to attend with their parents or guardians.

For more than 90 years in Penticton, The Royal Canadian Legion, Branch 40, continues to serve veterans and to contribute in positive ways in the community. For further information contact Branch 40 at rclpenticton040@gmail.com.
